

Caboolture Hospital

2026 Intern Campaign

Are you prepared for the Intern Campaign?

Are you prepared for your Intern year?

At Caboolture, we are here to help make your transition from University to the Workplace as smooth as possible. As such, we are offering two sessions aimed at you as final year Medical Students to come along and have any questions you may have relating to the Intern campaign and your Intern year answered by our Medical Workforce team, our Medical Education team as well as current and past Intern Doctors. This is an open invitation, so even if Caboolture may not be your first preference for your Intern year, we are available to provide advice and guidance as you begin your medical career.

Session One
Tuesday April 22nd 2025

Caboolture Hospital
Education and Skills Centre
and on Teams

Session Two
Tuesday June 3rd 2025

Whilst you are here, the opportunity will also be available for you to have a look around our fantastic facility, meet our friendly and caring staff, and get a feel for how Internship at Caboolture Hospital will help to kick-start your career.
