

Choose Central Queensland Health

for the best of work and life

Information for prospective doctors in training

At Central Queensland Health, you get the best of work and life with a career caring for your community in sunny Central Queensland. Our facilities span the coast to the outback, including Hospitals, Multipurpose Health Services and Community Clinics. When you join us, you're joining a team of 4,000+ people who provide great care to Central Queenslanders.

Progress your career with development pathways, study support through SARAS, dedicated annual study leave and opportunities to be involved in research and training. We offer competitive benefits, stable employment, and flexible conditions so you can prioritise what you know matters most. You'll also enjoy 300 sunny days a year, short commutes, meaningful connections to community, and lower costs of living.

Our values

Care

We are attentive to individual needs and circumstance

Integrity

We are consistently true, act diligently and lead by example

Respect

We will behave with courtesy, dignity and fairness in all we do

Commitment

We will always do the best we can do all of the time

Living in Central Queensland

Our region

With arguably the best climate in Queensland, our region proudly boasts 300+ days of sunshine per year with average temperatures between 20 and 34 degrees year round. Home to the best of the beach and the bush, enjoy weekends swimming at Great Keppel Island or bush walking at Blackdown Tablelands.

Your social calendar

With more to do than you can imagine, you won't want to miss bull riding at the Great Western Hotel, theatre at the Pilbeam and exhibition openings at the Rockhampton Museum of Art. Add Riverfest, RockyNats, the Food and Wine festival and Rocky River Run to your calendar and get your week-night social hits through regular trivia nights, social run clubs and sport.

Travel with ease

With domestic airports in Rockhampton, Emerald and Gladstone, a weekend in Brisbane is only a one-hour flight away. Our train and road networks make exploring our region easy.
