

# Career & Lifestyle

## Resident Medical Officers

### Why choose Wide Bay?

The Wide Bay region has an abundance of natural assets including the Great Sandy Strait, World Heritage-listed K'gari (Fraser Island), and access to the Southern Great Barrier Reef. The calm protected waters of Hervey Bay offer a natural playground for thousands of majestic humpback whales, providing the world's best up-close and personal whale experience. In Bundaberg, discover the turtles at Mon Repos Conservation Park or visit Lady Elliot Island.

Within reasonable travelling distance of Brisbane, the Sunshine and Gold Coasts, the Wide Bay region is poised for growth and opportunities while maintaining its liveability. Direct flights to Brisbane and Sydney enable you to explore Australia.

### About the role

Temporary full-time positions for 12 months (with the possibility of extension) are available in the RMO rotational pool. For more experienced junior doctors there are Principal House Officer and Registrar positions available. Departments include: Medicine, Surgery, Emergency, Orthopaedics, Geriatrics and Rehabilitation, Mental Health, Paediatrics, Renal, Oncology, Obstetrics and Gynaecology.

Interested in Medicine? RMO positions are available focusing on the medicine department with rotations through Acute Medicine, Renal, Cancer Care and Sub-Acute.
