

Mackay Hospital & Health Service

Intern2026 Recruitment Campaign

"My QRGP PG1 experience at Mackay Base Hospital was enriched through an extended rural placement in the Whitsunday region - a valuable opportunity to connect with and learn from seasoned rural doctors. At MBH, you will have access to essential rotations, career guidance and teaching that supports professional growth"

- Brielle, PGY2

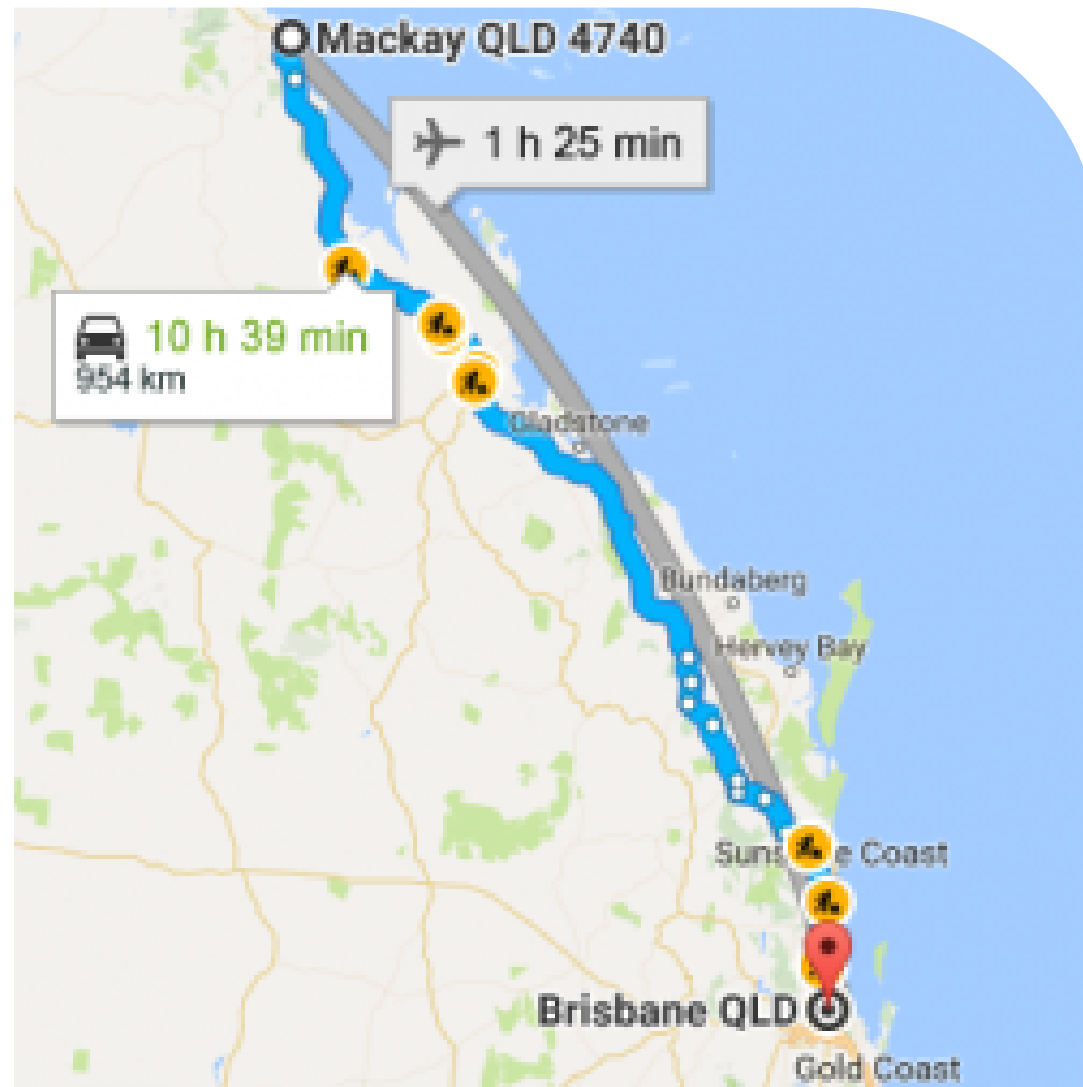

"Mackay Hospital and Health service is filled with friendly and knowledgeable clinicians who teach valuable skills and facilitate clinical experiences which help work towards a career in rural generalism"

- Georgia, PGY2

Why Mackay?

Location...

Brisbane connections to Mackay and Whitsunday Coast Airports.

Airlie Beach and Whitsunday Islands, 2 hour drive from Mackay.

Beautiful National Parks, beaches and hinterland to explore.

Events and Attractions...

Mackay, Whitsunday and Isaac Regions have a wide range of events and activities. From local sports to national and international events. Concerts, food and wine festivals and the return of beach horse racing, there is something for everyone.
