

Radiation Oncology preference guide

RMO and Registrar Campaign

In February 2024 the Royal Australian and New Zealand College of Radiologists (RANZCR) implemented a selection into specialty training process which applies to all new accredited training positions commencing from 2025 onwards.

[Queensland Radiation Oncology Advanced Training Network \(QROTN\)](#) is part of the networked training model. **New and current trainee** interested in applying for a training position, should first apply to [The Royal Australian and New Zealand College of Radiologists, Faculty of Radiation Oncology \(RANZCR\)](#) obtain a College Registration Verification Number (CRVN) and submit an application via the [RMO Campaign](#).

Queensland Radiation Oncology Advanced Training Network

Are you applying for a position on the **Queensland Radiation Oncology Advanced Training Network**?
*Please visit the [Queensland Radiation Oncology Advanced Training Network](#) webpage for specific and important information on applying for a position. **

Yes

No

Please specify one of the following: *

--Please Select--

--Please Select--

Current Accredited Trainee - QLD Radiation Oncology trainee

Current Accredited Trainee - Interstate Radiation Oncology trainee

New Trainee

After you have nominated **YES** and completed the subsequent questions, you will be required to enter in your College Registration Verification Number (CRVN). If you have not applied to obtain a CRVN by the time the campaign closes, you will not be assessed by the network.

Have you submitted an application and obtained a College Registration Verification Number (CRVN) with RANZCR Faculty of Radiation Oncology? *

Yes

No

Still waiting to receive my CRVN from the college
