

Rheumatology preference guide

RMO and Registrar Campaign

RMO application: Step 10 Preferences

To be **considered** for a position on the [Queensland Rheumatology Advanced Training Network](#), in the main 'Preferences' section of the online RMO application you **MUST** complete your first preference as follows:

The screenshot shows a form with five preference questions, each with a dropdown menu. The first and last questions are highlighted with red boxes. The first question is 'What is your first preferred facility? *' with the selected option 'College/Pathway/Network (Determined)'. The second question is 'What is your first preferred position status? *' with 'Full Time'. The third question is 'What is your first preferred position? *' with 'Registrar'. The fourth question is 'What is your first preferred Specialty? *' with 'Medicine'. The fifth question is 'What is your first preferred Sub-Specialty? *' with 'Rheumatology (AT)'.

You have 5 preferences available to use for positions, it is recommended that you utilise a lower preference to indicate which positions you may be interested in if you are not selected to your preferred position. You can search for alternative vacancies by using the [Position search tool](#) on the RMO website.

For further information on the individual facilities including contact details, please refer the [Participating hospital contacts and profiles](#) page on the [RMO Campaign website](#).
