Assessment of personal and professional readiness (including clinical confidence and capability; and appropriate advanced skill interest) to commence practice in a rural area	Assessed by RGTA at career planning interviews.	RGTA.	

**We will not be able to assess your eligibility to attain Rural Generalist Medicine prevocational certification if we don't receive your evidence by the deadline we nominate when we contact you.**

You should also ensure you:

- have considered, and sought advice from, your Rural Generalist Training Advisor (RGTA) regarding when to apply for general practice training with the Royal Australian College of General Practitioners (RACGP) or Australian College of Rural and Remote Medicine (ACRRM)
- advise the QRGP team of any change to personal contact details via: [rural\\_generalist@health.qld.gov.au](mailto:rural_generalist@health.qld.gov.au)
- contact your RGTA with any concerns with hospital terms or any other issues requiring advice and support
- maintain consistent contact with the QRGP team regarding your career intentions
- consider your preferred AST discipline and ensure you are ready to apply for it by April of the year prior to intended commencement of AST. The QRGP team will provide more information and reminders closer to the time.

**Further information:** Contact the QRGP team on 1800 680 291 or [rural\\_generalist@health.qld.gov.au](mailto:rural_generalist@health.qld.gov.au)
