Bayside Health Service

Discover Redlands Coast where naturally wonderful experiences await your every turn. Located just 30km from Brisbane Redlands Coast is one of Australia's fastest growing regions with easy access to beautiful beaches and all that Brisbane's Bayside community has to offer. From whale watching to mountain bike riding, you will be located on the doorstep to Moreton Bay Marine Park, rich national parks, and conservation areas.

About Redland Hospital

Redland Hospital, the major health centre for Redland City and Brisbane's southern bayside suburbs is growing to meet the needs of the community.

We provide acute medical, surgical, maternity, cardiology, orthopaedics, rehabilitation, renal and other specialty services for children and adults.

Redland hospital is a 'digital hospital' with a fully integrated electronic medical record, supporting improvements to the quality and efficiency of healthcare services for patients and the community.

Be part of the exciting expansion more beds, more wards, more opportunities!

- » Work life balance
- » Supportive culture
- » Consultant led supervision, excellent senior doctor to resident ratio
- » Broad general clinical experience blended with special interests.
- » Highly rated by previous cohorts
- » Option of two-year contract
- » Fully integrated digital facility
- » On site parking (salary sacrifice available)

Learn and Grow

We are committed to providing training opportunities for doctors pursuing both generalist and specialist career pathways. Our size and diverse range of clinical exposure opportunities ensures their professional progress through essential hands-on experience.

The wellbeing of our junior doctors is of utmost importance to us and is supported by our rostering practices and supportive culture. We believe that we can provide the best work life balance opportunity for RMOs in Queensland.

Redland Hospital is affiliated with the University of Queensland Medical School and is accredited for vocational training programs. Whilst having on site simulation facilities we also enjoy a close relationship with the Clinical Skills Development Service as a simulation pocket.

The Medical Education Unit are your advocates. We meet with each resident individually and provide support specific to your needs.

Our other Bayside facilities

Redlands Satellite Health Centre

The Minor Injury and Illness Clinic can be accessed for walk-in, urgent care for illnesses and injuries not anticipated to be life-threatening in nature, such as simple fractures, simple infections, earache, minor burns, and minor head injuries. The Minor Injury and Illness Clinic operates from 8am to 10pm, 7 days a week.

Wynnum-Manly Community Health Centre

A range of services are available under one roof, including a 24-hour Primary Care Centre, designed to treat less urgent/minor injuries and illnesses and offers junior Emergency Medicine doctors' a chance to work alongside Senior Medical Officers in a clinic style environment.

Marie Rose Centre (Dunwich)

PHO's can seek placement at Marie Rose Centre, community urgent care centre on Dunwich, North Stradbroke Island. The facility provides triage, care, and transfer of patients to mainland facilities in conjunction with Queensland Ambulance Service.
