

Emergency and Critical Care

Foundation Program

The program is aimed at current PGY 1 PGY 2 Medical Officers with an interest in specialties that require Acute and Critical Care experience across a broad range of patient presentations.

The program will prepare you to take up positions as first year Registrars or PHOs in your chosen speciality. During emergency rotations, medical officers will have access to protected fortnightly teaching, procedural days, and critical care patients.

WHO SHOULD APPLY?

Senior House Officers (SHO)

Current Senior House Officers are welcome to apply. Positions are for 12 months.

Junior House Officers (JHO)

Current PGY 2 seeking to broaden experiences before applying to your respective speciality.

Interns

Current PGY 1 Medical Officers who will complete an internship in 2025 medical year may also apply.

HOW TO APPLY

Lodge an application through the [Queensland Health RMO Campaign](#) opening 2 June 2025.

What position to apply for:

Facility: Sunshine Coast Hospital and Health Service

Position: SHO (even if you are an intern/JHO)

Specialty: Emergency Subspecialty: None (ED Foundations Program)
