## Who should attend?

**The information evening is intended for:**

- Medical officers planning to undertake basic training in 2026.
- Medical officers who are considering a career as a physician in Adult Medicine.
- Medical officers looking to relocate to Queensland to join or continue basic training.

## Why?

**The evening will provide:**

- An overview of physician training in Queensland and practical information on how to apply.
- Information on the different training rotations, educational opportunities and training structure.
- An opportunity to interact with Senior Physicians from across Queensland.
