4	28 August 2028	5 November 2028	10 weeks
5	6 November 2028	21 January 2029	11 weeks
			52 weeks

All jurisdictions agreed to align the annual commencement date for registrars (first Monday in February) to support the mobility of the workforce moving between jurisdictions/employers to complete college training requirements,

In Queensland the commencement date is staggered by position level to ensure patient safety and continuity of care. PHOs and Registrars commence two weeks after the Intern/JHO/SHO commencement date (and stay two weeks longer). This ensures not all junior doctors rotate on the same date.
