

Expression of interest (EOI) process for the Registered Nurse and Midwife Graduate program

Expressing your interest before applying for the program lets you nominate referees early in the process and gives us more time to complete referee reports. You can only do this once EOI applications open.

When the EOI opens, you'll see a link to our EOI form on the [Registered Nurse and Midwife Graduate Program](#) page on the Queensland Health Careers website. Use the form to submit your EOI and referees.

We'll contact you by email after submitting your EOI. Please make sure you add 'health.qld.gov.au' and 'mailer.health.qld.gov.au' to your safe senders list or email whitelist. See your email provider's website for help doing this.
