

Preference guide for new applicants and current network advanced trainees

New applicants applying to the **Queensland Neonatal and Perinatal Medicine (NPM) Advanced Training Network** and current network advanced trainees are advised to select **Yes** to the RMO Campaign network question 'Are you applying for a Neonatal and Perinatal Medicine Advanced Training position through the Queensland NPM Advanced Training Network?' and complete all subsequent questions.

New applicants

Rotation preferences - Indicate your first, second and third preference for a NPM advanced training **rotation** as follows:

Please indicate your **first** preference for a Neonatal and Perinatal Medicine advanced training rotation: *

Please indicate your **second** preference for a Neonatal and Perinatal Medicine advanced training rotation: *

Please indicate your **third** preference for a Neonatal and Perinatal Medicine advanced training rotation: *

Gold Coast University Hospital
Mater Mothers Hospital
Royal Brisbane & Women's Hospital
Townsville University Hospital

New applicants and current network advanced trainees

RMO Campaign 'Preferences' section – Complete your **first preference** as follows:

What is your first preferred facility? *

College/Pathway/Network (Determined) ▼

What is your first preferred position status? *

Full Time ▼

What is your first preferred position? *

Registrar ▼

What is your first preferred Specialty? *

Paediatrics ▼

What is your first preferred Sub-Specialty? *

Neonatal and Perinatal Medicine (AT) ▼

Use preferences 2–5 to apply for alternate positions in the event you are not selected to the network. Refer to the *RMO available positions search tool* <https://www.careers.health.qld.gov.au/medical-careers/resident-medical-officer-rmo-and-registrar-campaign/how-to-apply/rmo-position-search-tool> to preference positions (including sub-specialty). You can only select positions made available by facilities.

For further information refer to the network webpage <https://www.careers.health.qld.gov.au/medical-careers/resident-medical-officer-rmo-and-registrar-campaign/medical-specialty-training-programs/medicine-advanced-training/neonatal-and-perinatal-medicine>.
