- 2 minute walk to South Bank Parklands (restaurants, cafes & theatres)
- 5 minutes from the CBD
- Easy access to the hospital via bus, train and ferry
- Private 24/7 dedicated doctors' study space
- Online access to Clinical Knowledge Network and journals
- Onsite swimming pool, childcare centre and multiple onsite cafes

The RMO Year

Resident Medical Officers will rotate through Mater Hospital Brisbane and Mater Hospital Springfield, with secondments offered to the Queensland Children's Hospital for Paediatric rotations. We have specialty and subspecialty terms available within Medicine and Surgery, Anaesthetics, Emergency Medicine, Obstetrics & Gynaecology, Neonatology and Paediatrics.

Career guidance, CV Review and interview preparation, are available via the Medical Workforce Team.

Terms: Five terms of 10-12 weeks with a variety of terms available to meet core experiences.

Leave: Taken as a 5 week block per year.

Rotations: Preferences are taken into consideration
