

# Nuclear medicine preference guide

## RMO and Registrar Campaign

### RMO Application: Step 10 Preferences

At **Step 10: Preferences** of the online RMO application, applicants who wish to apply for position/s are advised to enter the combinations as displayed within the [Position search tool](#):

The screenshot shows a form with five questions, each with a dropdown menu. The selected options are highlighted with red boxes:

- What is your first preferred facility? \*: Metro North Royal Brisbane and Women's Hospital
- What is your first preferred position status? \*: Full Time
- What is your first preferred position? \*: Registrar
- What is your first preferred Specialty? \*: Medicine
- What is your first preferred Sub-Specialty? \*: Nuclear Medicine (Med)

The above is illustrative only and is not suggestive as to the exact order in which facilities should be preferred

You have 5 preferences available to use for positions, it is recommended that you utilise a lower preference to indicate which positions you may be interested in if you are not selected to your preferred position. You can search for alternative vacancies by using the [Position search tool](#) on the RMO website.

For further information on the individual facilities including contact details, please refer the [Participating hospital contacts and profiles](#) page on the [RMO Campaign](#) website.
