Hospital facilities

Greenslopes Private Hospital (GPH) is Australia's largest private teaching hospital. It is a 697-bed, tertiary level facility operated by Ramsay Health Care on the south side of Brisbane. GPH is a Level 3 teaching hospital which has a long and distinguished history of providing training to doctors from intern to Advanced Trainees. Teaching facilities include a centrally located library with JMO lounge, Simulation Centre, Conference Rooms and access to free Wi-Fi.

The hospital prides itself on being an institution which prioritises its staff's wellbeing and is dedicated to providing excellent patient care. GPH and Ramsay Health Care supports innovation through the [Gallipoli Medical Research Foundation](#) located onsite, and the [Paul Ramsay Foundation](#).

GPH has a comprehensive range of services including:

- Non trauma 30 bed Emergency Centre staffed by FACEMS
- ICU - 18 bed (Level 6), CCU - 29 bed with four cath labs,
- 27 theatres - 1 hybrid theatre and robotic surgery facilities
- Maternity (5 birthing suites) and special care baby suite
- Mental Health Unit – 31 bed open access DVA facility
- Onsite cardiac investigations, radiology, pathology, radiation oncology and respiratory investigation
- Dialysis Unit – 28 chairs
- Comprehensive oncology services including 39 chair day oncology, radiotherapy and PET Scan

RMO education and training opportunities

Some of the benefits of working at GPH as a junior doctor include:

- Extended VMO-led, hands-on teaching – GPH has over 1000 accredited VMOs
- Close collaboration between departments and specialties
- Access to an onsite Library, Simulation Centre, free Wi-Fi and JMO lounge
- Access to UQ Clinical School and teaching opportunities
- Training oversight by a full complement of staff in the Medical Education Unit, including Director of Medical Training, Director of Clinical Training, Medical Education Coordinator
- Advance training progression with oversight by the Director of Physician Training and Subspecialty Supervisors.
- Being a part of a group of over 100 fellow JMOs in a close, collegiate environment
- Access to shared resources and teaching opportunities with other tertiary level public hospitals (e.g. BPT teaching with Princess Alexandra Hospital)

Weekly education sessions:

- Intern Education
- Medical Ground Rounds
- JMO Education

Additional education sessions:

- PAH Video Conference
- Unit Meetings / Journal Club
- Clinical Skills, BLS

Employment conditions

- Five weeks annual leave per year (for full-time employees, pro rata for part-time)
- Individual agreements with salary entitlements aligned with Q-Health pay scale
- Complete a minimum of one rural/regional rotation
- Access to Salary Sacrificing
- Opportunity to work part time – limited positions available for job sharing
- **Free onsite parking and free unlimited off-street parking**
- Child Care facility available onsite

Facility-specific recruitment requirements:

- Copies of referee reports must be included in your RMO campaign application. At least one referee must be from your most recent employer.
- You will be required to submit a valid current criminal history check (completed within the last 12 months) and immunisation details with evidence documents prior to commencement.
