## Living in Central Queensland

### • Our region

Arguably the best climate in Queensland, we proudly boast 300+ days of sunshine per year with average temperatures between 20 and 34 degrees year round. Home to the best of the beach and the bush, enjoy weekends swimming at Great Keppel Island or bush walking at Blackdown Tablelands.

### • Your social calendar

With more to do than you can imagine, you won't want to miss bull riding at the Great Western Hotel, theatre at the Pilbeam and exhibition openings at the Rockhampton Museum of Art. Add Riverfest, RockyNats, the Food and Wine festival and Rocky River Run to your calendar and get your week-night social hits through regular trivia nights, social run clubs and sport.

### • Travel with ease

With domestic airports in Rockhampton, Emerald and Gladstone a weekend in Brisbane is only one hour flight away. Our train and road networks make exploring our region easy.

## Other benefits

- Assistance with travel and relocation costs, including domestic relocation flights reimbursed.
- Four weeks shared accommodation provided on arrival.
- Higher chances of getting your leave block and allocation preferences.
