

# Respiratory Medicine Advanced Training

## RMO and Registrar Campaign 2026

### Accredited Training Sites and Contact Details

There are 10 hospitals in Queensland that are accredited for Advanced Training in Respiratory Medicine.

FACILITY	NUMBER OF POSITIONS
Cairns Hospital	1
Gold Coast University Hospital	3
Greenslopes Private Hospital	1
Logan Hospital	2
Mater Group Brisbane	1
Princess Alexandra Hospital	3
Royal Brisbane and Women's Hospital	2
Sunshine Coast University Hospital	2
The Prince Charles Hospital	4
Townsville University Hospital	1

Please preference **all** facilities in order of personal preference in the Respiratory and Sleep Pathway section of the online RMO application. Refer to the **Respiratory Medicine preferencing guide** for further information.

#### **Current trainees**

**Current** Qld Respiratory trainees are also required to provide an explanation of their top 5 preferences, as outlined in the job application.

#### **New applicants**

Applicants who are **not current Qld Respiratory Medicine Advance Trainees** should be aware that not all of the listed facilities will have positions available for new trainees. Current Qld Respiratory Medicine advance trainees are interviewed and allocated positions according to

their training needs prior to consideration of new applications. An updated list of available facilities will be provided to new applicants who are shortlisted for interview.
