

Haematology (Clinical & Lab) preference guide

RMO and Registrar Campaign

New and current trainee interested in applying for a training position, should complete the [Queensland Haematology AT Network](#) section within the online RMO application.

Queensland Haematology Advanced Training Network

Are you applying for an **Advanced Training position in Clinical and/or Laboratory Haematology** in Queensland next year?

Please visit the [Queensland Haematology Advanced Training Network](#)  website for eligibility, accredited training sites, preference information etc. *

Yes
 No

Once you have nominated **YES** and complete the subsequent questions, you will be asked to preference both clinical and laboratory facilities in your order of preference.

Note: As appointments are competitive, you are encouraged to preference any position you would be willing to accept, both clinical and laboratory. If you do not preference a position, you will not be considered for that position.

Please indicate your first preference facility: *

--Please Select-- 

Please indicate your second preference facility: *

Accredited training facility in Queensland:

Clinical Haematology	Laboratory Haematology
Cairns Hospital	Australian Red Cross Lifeblood
Greenslopes Private Hospital	Gold Coast University Hospital (Lab)
Gold Coast University Hospital	Mater Pathology
Mater Hospital Brisbane	Pathology Queensland (PAH)
Princess Alexandra Hospital	Pathology Queensland Central Lab (RBWH)
QLD Childrens Hospital	QML Pathology
Royal Brisbane and Women's Hospital	Sullivan Nicolaides Pathology (SNP)
Sunshine Coast University Hospital	Sunshine Coast University Hospital
Toowoomba Hospital	Townsville University Hospital
Townsville University Hospital	

Trainees must be willing to rotate across campuses as well as to the ARCBS, Mater laboratory and to private laboratories of SNP and QML, to ensure maximum exposure to training opportunities and to access all relevant sections within their discipline. Individual placements will be discussed as part of the offer if successful.

RMO application: Step 10 Preferences

At **Step 10: Preferences** of the online RMO application, to be considered by the **Training Pathway**, you **MUST** complete your first preference as follows:

What is your first preferred facility? *

College/Pathway/Network (Determined) ▼

What is your first preferred position status? *

Full Time ▼

What is your first preferred position? *

Registrar ▼

What is your first preferred Specialty? *

Medicine ▼

What is your first preferred Sub-Specialty? *

Clinical Haematology/LAB ▼

You have 5 preferences available to use for positions, it is recommended that you utilise a lower preference to indicate which positions you may be interested in if you are not selected to your preferred position. You can search for alternative vacancies by using the [Position search tool](#) on the RMO website.

For further information on the individual facilities including contact details, please refer the [Participating hospital contacts and profiles](#) page on the [RMO Campaign website](#).
