

Preference guide for new applicants and current network advanced trainees

New applicants interested in the two-year **Queensland General Paediatric Advanced Training Network** and current network advanced trainees are advised to select **Yes** to the RMO Campaign network question 'Are you applying for a general paediatric advanced training position through the Queensland General Paediatric Advanced Training Network?' and complete all subsequent questions.

New applicants

Step 7: Network rotation preferences - Indicate your first, second and third preference for a general paediatric advanced training **rotation** as follows:

Please indicate your **first preference** for a general paediatric advanced training rotation: *

--Please Select-- ▾

Please indicate your **second preference** for a general paediatric advanced training rotation: *

--Please Select-- ▾

Please indicate your **third preference** for a general paediatric advanced training rotation: *

--Please Select-- ▾

Choose from the following drop-down options:

- Brisbane/Rural Rotation
- Gold Coast/NSW Rotation
- Sunshine Coast/Gladstone Rotation
- Townsville/North Queensland Rotation

New applicants and current network advanced trainees

Step 10: RMO Campaign 'Preferences' section – Complete your **first preference** as follows:

- Facility – College/Pathway/Network (Determined)
- Position status – Full Time
- Position – Registrar
- Speciality – Paediatrics
- Sub-specialty – General Paediatrics (AT)

NOTE: In this part of the application, **you must select 'Position status - Full Time'**. If you selected 'Yes' to the network question – 'Are you interested in a part time position or a job share arrangement?' – your response will still be considered.

*Use preferences 2–5 to apply for alternate positions in the event you are not selected to the network. Refer to the *RMO available positions search tool* <https://www.careers.health.qld.gov.au/medical-careers/resident-medical-officer-rmo-and-registrar-campaign/how-to-apply/rmo-position-search-tool#positions> to preference positions (including sub-specialty). You can only select positions made available by facilities.

For further information refer to the network webpage <https://www.careers.health.qld.gov.au/medical-careers/resident-medical-officer-rmo-and-registrar-campaign/medical-specialty-training-programs/medicine-advanced-training/general-paediatrics>.
